Practice Policies and Procedures- Ratoath Medical Centre.

General Practice at Ratoath Medical Centre is a trusted community governed by an ethic of privacy, respect and confidentiality.

At Ratoath Medical Centre in order to provide for your care we need to collect and keep your information about you and your health in your personal medical file.

Our practice privacy statement outlines our policies and procedures in handling personal data under GDPR regulations and guidelines. If you wish to read our privacy statement, please inform a member of admin staff who can provide you with a copy.

Please be aware that under GDPR regulations 2018, Doctors and practice staff can only liaise with patients directly unless consent is obtained in written form to state otherwise. Patients under the age of 16, practice staff can only liaise with parents or legal guardians of the respective child.

Equality, Respect and Behaviour Policy.

Ratoath Medical Centre is committed to treating all patient interactions in a courteous, respectful and professional manner and we expect that our patients and visitors to Ratoath Medical Centre will equally engage with our staff in this manner. This is in order to provide a mutually fair and respectful relationship between our patients and our team.

Ratoath Medical Centre is an environment which is free from discrimination and harassment and we operate a **ZERO** tolerance policy regarding abusive, aggressive or harassing, intimidating or threatening behaviour towards ANY member of staff.

Safety is of paramount importance at Ratoath Medical Centre and any patient or visitor displaying abusive or aggressive behaviour, verbally or physically will be asked to leave the premises immediately and will be removed from our patient list with immediate effect and asked to find an alternative GP.

We consider aggressive behaviour to include any personal, abusive, threatening comments, bad language or insulting behaviour, physical contact to staff or damage to practice property. If such behaviour is displayed or should any staff member feel threatened or endangered practice staff have the right to contact An Garda Síochána and remove patients and or visitors from the premises.
